

## 2022 Subject Index

20 <sup>th</sup> percentile .....	457	Bladder perforation .....	429
Abdominal cocoon.....	692	Bleaching .....	395
Abdominal pain .....	567	Blood platelets.....	303
Academic achievement .....	767	Blood viscosity .....	186
Academic performance .....	745	Bond strength .....	115
Academic self-efficacy .....	767	Bradycardia .....	698
Acanthosis .....	423	Breast milk.....	731
Achievement-focused motivation 213		Breastfeeding.....	546, 731
Acne vulgaris.....	241	C-erbB2.....	196
Acute abdomen.....	429	C-reactive protein .....	186
ADAMTS-13.....	812	CAD/CAM .....	431
Adenotonsillectomy.....	279	Cadence.....	404
Adherence .....	470, 593	Cadmium chloride.....	87
Adolescents .....	354	CAM .....	513
Advanced platelet-rich fibrin .....	9	<i>Campylobacter</i> .....	623
Allergies.....	360	Cancer .....	484
Amplitude .....	653	Cancer survivors.....	520
Anaesthesia .....	308, 536	<i>Candida albicans</i> .....	712
Angioedema.....	758	Canine substitution .....	678
Anti-carcinogenic.....	587	Carcinoma.....	271
Antibody tests .....	175	Cardiac arrest .....	163
Antibody titers .....	438	Cardiovascular.....	513
Antivirals .....	287	Caregiver .....	774
Anxiety.....	40, 321	CD4 cell count.....	186
Apoptosis.....	587	Celiac disease .....	349
Apoptotic effect.....	201	Cell death .....	587
Area under the curve.....	365	Ceramics.....	431
Ascending aort aneurysm.....	276	Cervical cancer .....	245
Asymptomatic .....	259	Cervix.....	271
Atomic force microscopy .....	395	Cessation .....	109
Atrophy.....	152	Chemotherapy .....	614
Attitude .....	53, 477	Chemotherapy nursing.....	507
Attitudes.....	373, 639	Child .....	404
Autism spectrum disorder .....	774	Children.....	349, 664, 774
Awareness .....	484	Children and adolescents .....	120
Axillary artery.....	565	Chimerism.....	664
Bacteriuria .....	758	Chronic disease .....	705
Bariatric surgery .....	604	Chronic urticaria .....	283
Basic life support .....	34, 163	Citation.....	444
Bentall procedure.....	276	Clinical.....	738
Bio-sensor .....	573	Clinical manifestations .....	156
Bioactive materials.....	115	Codependency .....	745
Biofilm .....	712	Cognitive impairment.....	780
Birth .....	61, 252	Collaboration .....	128

## 2022 Subject Index

Colon cancer .....	587	Dizziness.....	698
Color .....	395	DNA sequencing.....	623
Colour blindness.....	191	Drug.....	48
Comfort .....	40	Drug discovery .....	1
Common trunk .....	565	Drug dosage calculation .....	752
Communication .....	128	Drug-drug interactions .....	167
Comorbid diseases in the obese population .....	604	Dural metastasis .....	463
Comorbidities.....	167	E-health.....	360
Compassion.....	321	Early diagnosis .....	245
Complications .....	167, 536	Early or late stimulation .....	806
Composite resin .....	431	ECMO.....	444
Computed tomography .....	567	Education .....	213, 234, 738, 745
Control.....	259	Elbow injury.....	659
<i>Corchorus olitorius</i> .....	87	Elderly .....	18, 53
CoronaVac .....	438	Elderly inpatients.....	69
Coronavirus .....	175	Emergency department.....	381, 528
Coronavirus disease 2019 .....	287	Emergency medicine technician .....	34
Corticosteroids .....	287	Emotion control.....	207
Cost.....	229	Emotional intelligence .....	745
COVID-19 .....	94, 163, 167, 234, 252, 259, 287, 321, 330, ..... 337, 438, 573, 659	Emphysematous cystitis .....	429
COVID-19 vaccine.....	313	Endocrinology.....	593
Cultural competence .....	136	Endocrinopathies.....	120
Cultural competency .....	409	Endodontics .....	794
Culturally competent care.....	409	Endoscopy .....	349
Cyclosporine.....	283	Entonox .....	597
Cyprus.....	346, 501, 580, 780	Enucleation .....	425
Decision.....	738	Eosinophil/lymphocyte ratio.....	241
Deep brachial artery.....	565	Epidemiology .....	365, 780
Deferasirox.....	801	Epilepsy .....	609
Dementia .....	780	ERG .....	196
Demography .....	337	Esophageal atresia .....	695
Dental plaque.....	712	Essential oil .....	201
Dental pulp.....	387	Esthetics .....	678
Dental restoration repair.....	431	Evoked frequency responses in sleep .....	653
Dentigerous cyst .....	425	Ewing's sarcoma.....	271
Dentist.....	794	Expectant fathers.....	646
Denture .....	712	Experiences .....	646
Depression .....	40, 321	Extracorporeal membrane oxygenation .....	444
Dextrocardia.....	276	Falls in elderly.....	69
Diabetes mellitus.....	687	Fatigue .....	381
Diagnosis.....	156	Favipiravir .....	287
Difficult intubation .....	308	Fear .....	252
Digital health .....	360	Fibromyalgia .....	687
		First 100 .....	444

## 2022 Subject Index

Follicular tumour.....	423	Index .....	444
Follow-up .....	418	Infantile hypertrophic pyloric stenosis .....	695
Food .....	495	Infection.....	349, 425
Food addiction.....	207	Infectious disease .....	1
Food additives .....	495	Infectious diseases.....	365
Foot reflexology .....	614	Infertility .....	806
Foreign body nasopharynx.....	279	Inflammation.....	787
Fracture.....	418, 659	Influenza virus .....	180
Frequency .....	653	Injectable platelet-rich fibrin .....	9
Future.....	1	Intensive care unit.....	167
Gastric diverticulitis .....	567	Internet use.....	360
Gender.....	404	Intestinal obstruction .....	692
Genetic science .....	507	Intimate partner violence .....	26
Genetics.....	507	Intoxication .....	48
Geriatric.....	330	Intraarticular form.....	701
Geriatric patients .....	536	Intracranial metastasis.....	463
Gleason score .....	196	Intravenous catheter placement.....	142
Gluten.....	229	Intrusion.....	418
Gluten-free food.....	229	Ishihara .....	191
Googling.....	360	Job satisfaction.....	128
<i>H. pylori</i> .....	349	Keratinization .....	423
Health.....	404	Keratosi.....	423
Health expenditures .....	365	Knee trauma .....	266
Health literacy .....	18	Knowledge .....	552, 639
Health risks .....	552	Knowledge level.....	34
Health science student .....	94	Lateral incisor agenesis .....	678
Health worker .....	321	Leptomeningeal metastasis.....	463
Healthcare professionals .....	528	Levothyroxine .....	593
Healthcare workers.....	552	Lifelong learning tendency.....	213
Heart .....	149	Ligneous gingivitis .....	718
Heart valve diseases.....	470	Ligneous periodontitis.....	718
<i>Helicobacter pylori</i> .....	346	Liver.....	787
Hemoglobinopathy.....	120	Liver metastasis .....	541
Hepatitis.....	628	Lung cancer.....	614
HIV.....	186	Magnetic resonance imaging .....	463
Homophobia.....	373	Massage.....	597
Hopelessness.....	53	Materials .....	794
Human emulation .....	1	Math course .....	752
Hypothyroidism .....	593	Medical.....	191
IgG4-related disease.....	156	Medical student .....	53
Immunochromatographic test.....	180	Medical waste management .....	552
Immunomodulators .....	287	Mediterranean region.....	501
In vitro fertilization.....	806	Membrane damage .....	201
In-hospital mortality.....	628	Meniscus mucoid degeneration.....	266

## 2022 Subject Index

Mental workload.....	381	Pandemic.....	175, 234, 573, 659
Mesenchymal stem cells.....	387	Papet's disease.....	570
Methotrexate.....	283, 787	Paramedic.....	34
Microorganisms.....	763	Patient engagement.....	705
Midwife.....	234	Patient safety.....	633
Midwifery.....	61	Patient safety culture.....	633
Mitral valve.....	149	Pediatric.....	659
<i>Momordica charantia</i> .....	787	Pediatric nurses.....	639
Mortality.....	330	Pediatric nursing.....	354
Mother.....	774	Pediatric surgery.....	695
MRI.....	701	Perceived milk insufficiency.....	731
Multidimensional observation.....	79	Perception.....	559
Multiplex PCR.....	623	Pericardial effusion.....	281
Nano-biosensors.....	573	Perineural spread.....	463
Nanotechnology.....	573	Physical restraints.....	639
Neoplasms.....	149	Physical therapy.....	152
Nephrotoxicity.....	801	Plasma-derived factor VIII.....	812
Neuroeducation.....	457	Plasminogen deficiency.....	718
Neuroendocrine tumor.....	541	Platelet-rich plasma.....	9
Neutrophil/lymphocyte ratio.....	241	Pleural effusion.....	281
Newborn.....	61	Polycystic ovary syndrome.....	806
Northern Cyprus.....	26, 180, 794	Polyphenols.....	587
Nurse.....	34, 409, 633	Postherpetic neuralgia.....	152
Nurses.....	136, 381	Postoperative.....	40
Nursing.....	69, 102, 128, 477, 559, 614, 646, 705, 738	Postpartum depression.....	546
Nursing diagnosis.....	559	Practice.....	738
Nursing education.....	745, 752	Practices.....	639
Nursing student.....	213, 767	Pre-eclampsia.....	303
Nursing students.....	373, 745, 752	Pre-symptomatic.....	259
Nutrient content.....	229	Preeclampsia.....	546
Nutrition.....	495	Pregnancy.....	252, 303, 646
Nutritional index.....	628	Pregnant women.....	222
Obesity.....	669	Pressure injury.....	528
Obstructive sleep apnoea syndrome.....	308	Prevalence.....	26, 180, 346, 528, 687, 780
Older people.....	79	Preventive measures.....	337
Omalizumab.....	283	Preventive medicine.....	109
Oncology nursing.....	507	Primary healthcare.....	409
Organ-on-chip.....	1	Problematic internet use.....	354
<i>Origanum majorana</i> .....	201	Professional belonging.....	234
Outpatients.....	470	Prognosis.....	541
Oxidative stress.....	787	Prostate carcinoma.....	196
Pain.....	40, 687, 774	Proteinuria.....	801
Pain relief.....	597	Protocatechuic acid.....	87
Pancreas.....	271	Psychiatric nursing.....	580

## 2022 Subject Index

Psychiatry.....	580	Smartphone addiction.....	354
Psychological effect.....	94	Smile design.....	678
Psychological resilience.....	767	Smoking.....	109
Psychological symptoms.....	26	Snellen's chart.....	191
Psychosocial functioning.....	79	Social media addiction.....	207
Public health nursing.....	18	Social-appearance anxiety.....	354
Push-out test.....	115	Society attitudes.....	337
Pyuria.....	758	Socio-cultural factors.....	207
Qualitative study.....	102	Specificity.....	669
Quality of life.....	513, 520, 774	Sports injury.....	266
Quality of life in the obese population.....	604	Stem-cell-transplantation.....	664
Quercetin.....	587	<i>Streptococcus mutans</i> .....	712
Rare cause of intestinal obstruction.....	692	Stress.....	321
Recent literature.....	156	Student.....	495
Remdesivir.....	287	Students.....	191
Resistance.....	763	Suicidal.....	48
Respiratory difficulty in the obese population.....	604	Surface roughness.....	395
Restless Legs Syndrome.....	222	Surface treatment.....	431
Return to work.....	520	Surgical procedures.....	470
Rheumatoid arthritis.....	281	Synchronously.....	271
Risk factors.....	26, 484	Synovial fluid.....	387
Root canal.....	418	Syrian border.....	136
RT-PCR.....	175	Tactile awareness in sleep.....	653
SARS-CoV-2.....	259, 438, 573	Techniques.....	794
Scale.....	69	Technology.....	477
Scale development.....	313	Telomere shortening.....	457
Seasonal agricultural worker woman.....	245	Tendency towards violence.....	373
Sedation.....	536	Tenosynovial giant cell tumor.....	701
Seizure types.....	609	Testis.....	87
Self-awareness.....	69	Thalassemia major.....	120, 801
Self-care.....	513	The nipple.....	570
Self-efficacy.....	546, 731	Therapeutic alternatives.....	287
Self-management.....	705	Timolol.....	698
Sensitivity.....	669	Tobacco.....	109
Serial measure-ment method.....	365	Total antioxidant status.....	609
Seropositivity.....	438	Total knee arthroplastypatient' experiences.....	102
Sexual life.....	646	Total oxidant status.....	609
Shoulder pain.....	152	Traditional foods.....	501
Simulation.....	142	Trauma.....	418
Situs inversus totalis.....	276	Treatment.....	156, 283, 425, 718
Skills training in nursing.....	142	Treatment efficiency.....	593
Skills training methods.....	142	Trichilemmal horn.....	423
Skin malignancies.....	570	TTP.....	812
Sleep quality.....	222	Turkey.....	623

## 2022 Subject Index

---

Turkish .....	745	Verruciform xanthoma .....	570
Turkish Republic of Northern Cyprus.....	580	Virtual intravenous simulator .....	142
Type 2 diabetes.....	477	Virus .....	573
Umbilical cord clamp .....	61	Vision.....	191
University students .....	484	Walking speed.....	404
Urinalysis.....	758	Warfarin .....	470
Urticaria .....	758	Wavelet transform .....	653
Validity .....	669	Whiteness.....	395
Validity and reliability .....	69	Women .....	26
Validity-reliability .....	313	Wound healing.....	9
Variation .....	565	Wound infection .....	763
